Re: *United States v. Chaskal Landau*, 21-cr-401

Dear Judge Karas:

We submit this letter to respectfully request that the Court modify the terms of Chaskel Landau's home confinement to not require him to use phone monitoring during the upcoming Jewish holidays.

As Your Honor will recall, the Court sentenced Mr. Landau to a term of five months' home confinement. In a subsequent Order, Your Honor provided that Mr. Landau was to be monitored using Smart Link Facial Recognition, with a carveout for the Sabbath when Mr. Landau cannot use a phone. Dkt. #46.

We now respectfully request that the Court extend the Sabbath carveout to include the upcoming holidays of Rosh Hashana (Sep 25-27), Yom Kippur (Oct. 4-5), and Sukkot (Oct 9 -11 and Oct. 16-18), when Mr. Landau also cannot use his phone.

I have spoken to both Mr. Landau's probation officer and the assigned AUSA and neither has any objection to this request.

Granted.

So Ordered.

9/9/22

Respectfully submitted,

/s/
